ENDANGERED SPECIES  
ACT COMPLIANCE  
STATEMENT:

The Oregon Department of Forestry (ODF) is engaged in an active threatened and endangered (T&E) species survey program. Surveys, determinations, and management measures are developed and implemented in good faith compliance with federal and state Endangered Species Act (ESA) requirements. Restrictions on operations due to T&E species considerations are included in the prospectus. Purchasers are required to comply with all federal and state laws, including the Endangered Species Act. Purchaser should take steps to be certain that no ESA violations occur. Prospective purchasers of timber sales are reminded that ODF surveying efforts may take place any time during the term of a timber sale contract. As part of the survey program, ODF surveys its lands on a continuing basis for land management, species protection, research, and other reasons. During the contract term, T&E survey work and/or the discovery of a threatened or endangered species within or in the vicinity of a timber sale may affect operations contemplated under the contract. In the event a threatened or endangered species is found within or near this sale, ODF may take steps necessary to protect the interests of the State, including contract alteration, suspension, or termination.

Prospective purchasers are encouraged to contact the Klamath-Lake ODF District at (541) 883-5681 for further information or questions relative to threatened or endangered species surveys, future planned survey information, or other threatened or endangered species information.

SPECIAL REMARKS:

**SEASONAL RESTRICTIONS APPLY - SEE SECTION 2455.**

Acres were determined with the use of a Global Positioning System and GIS data.

Any conifer log having a gross scaling diameter of less than 6 inches shall be pencil bucked for the purpose of determining the volume of the log.

SALE OBJECTIVES:

To create a healthy, insect and disease-resistant stand by reducing stocking levels in all size and age classes and favoring ponderosa pine as a residual species.

The information shown on the Exhibit A map(s) are approximate locations. Exact locations of features represented by map symbols shall be determined on site and shall depend upon the conditions that exist on site. Activities shall be conducted based upon features determined on site rather than features shown on maps.

**See inside front cover of Timber Sale Schedule handbook for disclaimer regarding all governmental regulatory actions.**
