ENDANGERED SPECIES ACT COMPLIANCE STATEMENT: The Oregon Department of Forestry (ODF) is engaged in an active threatened and endangered (T&E) species survey program. Surveys, determinations, and management measures are developed and implemented in good faith compliance with federal and state Endangered Species Act (ESA) requirements. Restrictions on operations due to T&E species considerations are included in the prospectus. Purchasers are required to comply with all federal and state laws, including the Endangered Species Act. Purchaser should take steps to be certain that no ESA violations occur. Prospective purchasers of timber sales are reminded that ODF surveying efforts may take place any time during the term of a timber sale contract. As part of the survey program, ODF surveys its lands on a continuing basis for land management, species protection, research, and other reasons. During the contract term, T&E survey work and/or the discovery of a threatened or endangered species within or in the vicinity of a timber sale may affect operations contemplated under the contract. In the event a threatened or endangered species is found within or near this sale, ODF may take steps necessary to protect the interests of the State, including contract alteration, suspension, or termination.

Prospective purchasers are encouraged to contact the Forest Grove District at (503) 357-2191 for further information or questions relative to threatened or endangered species surveys, future planned survey information, or other threatened or endangered species information.

Habitat Suitability

This sale contains potentially suitable habitat for northern spotted owls. It does not contain potentially suitable habitat for marbled murrelets.

Survey Results

This sale was surveyed for northern spotted owls in 2007 and 2008 using a protocol endorsed by the U.S. Fish and Wildlife Service¹. Northern spotted owls were not observed during these surveys.

Surveys for marbled murrelets are not necessary for this sale.

Known T&E Resources

There are no northern spotted owl activity centers or Marbled Murrelet Management Areas affecting this sale.

¹ USDI Fish and Wildlife Service. 1991, revised 1992. Protocol for surveying proposed management activities that may impact northern spotted owls. 15pp.

Operational Considerations

Current northern spotted owl survey results are valid until March 15, 2011.

All timber should be felled by March 15, 2011.

Future Survey Plans

ODF has no plans for further survey of this sale at this time.
