Surveys, determinations, and management measures are developed and implemented in good faith compliance with federal and state Endangered Species Act (ESA) requirements. Restrictions on operations due to T&E species considerations are included in the prospectus. Purchasers are required to comply with all federal and state laws, including the Endangered Species Act. Purchaser should take steps to be certain that no ESA violations occur. Prospective purchasers of timber sales are reminded that ODF surveying efforts may take place any time during the term of a timber sale contract. As part of the survey program, ODF surveys its lands on a continuing basis for land management, species protection, research, and other reasons. During the contract term, T&E survey work and/or the discovery of a threatened or endangered species within or in the vicinity of a timber sale may affect operations contemplated under the contract. In the event a threatened or endangered species is found within or near this sale, ODF may take steps necessary to protect the interests of the State, including contract alteration, suspension, or termination.

Prospective purchasers are encouraged to contact the Klamath-Lake ODF District at (541) 883-5681 for further information or questions relative to threatened or endangered species surveys, future planned survey information, or other threatened or endangered species information.

"STEWARDSHIP IN
FORESTRY"

Biological Survey Report

Project: Rebert
Date: December 20, 2011
To: John Pellissier
CC: Greg Pittman, District Sale File
From: Matt Gostin

Habitat Suitability

This sale is located in the South Block, near the edge of the range of the northern spotted owl.

Survey Results

Northern spotted owl surveys are conducted as a component of the Eastern Region Long-range Forest Management Plan within the range of the northern spotted owl. The South Block was surveyed for northern spotted owls from 1999 - 2000 and 2005 - 2006 using standards approved by the U.S. Fish and Wildlife Service. There have been no responses to any surveys. .

Known T&E Resources

This sale is not affected by any known northern spotted owl activity centers. Bald eagle roosting and nest trees are within ½ miles of sale area III. However, these areas are not subject to Forest Practices Act rules as they are greater than ¼ mile of and not within line of site of the timber sale.

Future Survey Plans

Northern spotted owl monitoring surveys may be conducted by ODF during the life of the contract.
