STATEMENT: measures are developed and implemented in good faith compliance with federal and state
Endangered Species Act (ESA) requirements. Restrictions on operations due to T&E
species considerations are included in the prospectus. Purchasers are required to comply
with all federal and state laws, including the Endangered Species Act. Purchaser should
take steps to be certain that no violations occur. Prospective purchasers of timber sales
are reminded that ODF surveying efforts may take place any time during the term of a
timber sale contract. In some cases, ODF may require that initiation of operations be
delayed to allow for completion of spot check surveys, as recommended by the USFWS
survey protocol and required by ODF policy. As part of the survey program, ODF surveys
its lands on a continuing basis for land management, species protection, research, and
other reasons. During the contract term, T&E survey work and/or the discovery of a
threatened or endangered species within or in the vicinity of a timber sale may affect
operations contemplated under the contract. Also, legal challenges and other litigation
regarding ODF threatened and endangered species related processes may occur and may
affect operations contemplated under the contract. In the event a threatened or
endangered species is found within or near this sale, or efforts are required to respond to
legal issues, ODF may take steps necessary to protect the interests of the State, including
contract alteration, suspension, or termination.

Prospective purchasers are encouraged to contact the Southwest Oregon ODF District at
(541) 474-3152 for further information or questions relative to threatened or endangered
species surveys, future planned survey information, or other threatened or endangered
species information.
