The Volume harvestable refers to all material to be felled. PURCHASER will sort the felled product into Sawlog and Chip material. The price shall be the same for all material harvested weather removed as sawlog material or chip / pulp material. Refer to Exhibit C for details (Sawmill and Pulp). Refer to section 1740 in the contract for log prices.

STATE makes no guarantee as to the accuracy or amount harvestable for the terms of this contract.

Project Work: Road maintenance and Road Closures

Road maintenance: Refer to Section 16 in contract. PURCHASER is responsible for normal road maintenance on roads used for continuous road use, protection of roads from damage, water quality, and compliance with all applicable laws.

No adjustment to the appraisal shall be made for road maintenance.

Road Closures: STATE may require PURCHASER close various interior roads at the end of operation.

No adjustment to the appraisal shall be made for road closures.
