ENDANGERED SPECIES ACT COMPLIANCE STATEMENT: Purchasers are required to comply with all federal and state laws, including but not limited to the federal and State Endangered Species Act.

The Oregon Department of Forestry (ODF) is engaged in an active threatened and endangered (T&E) species survey program. ODF surveys its lands on a continuing basis for land management, species protection, research, and other reasons. Surveying efforts may take place in the Timber Sale Area anytime during the term of the Contract. Purchaser acknowledges that T&E survey work or the discovery of a threatened or endangered species within or in the vicinity of a timber sale may affect PURCHASER's Operations under the Contract, and PURCHASER agrees to cooperate with STATE's survey work and other activities designed to identify and protect T&E species. In the event any T&E species is found within or in the vicinity of the Area(s) of Operations, or the State otherwise deems it necessary or expedient to take action in response to any pending or threatened legal action concerning State forest land or any T&E species, PURCHASER agrees that STATE may take steps to protect the interests of the State, including imposing restrictions on PURCHASER's Operations under the Contract to prevent disturbance to T&E species, including Contract modification, suspension, or termination.

PURCHASER also acknowledges that at some point during the Contract term, the STATE may also become subject to terms and conditions of Incidental Take Permits issued by the federal government covering State forest lands. PURCHASER agrees that any Operations that occur following issuance of an Incidental Take Permit, if any, must be carried out consistent with such terms and conditions that include required minimization and mitigation measures proposed in the applicable Habitat Conservation Plan, and PURCHASER further agrees that STATE may take steps to protect the interest of the State, including imposing restrictions on PURCHASER's Operations under the Contract to ensure such compliance, including Contract modification, suspension, or termination.

Prospective purchasers are encouraged to contact the Klamath-Lake ODF District at (541) 883-5681 for further information or questions relative to threatened or endangered species surveys, future planned survey information, or other threatened or endangered species information.

SPECIAL REMARKS: **NO PERSONAL OR COMPANY CHECKS ACCEPTED FOR THE BID DEPOSIT. SEASONAL RESTRICTIONS APPLY - SECTION 2455.**

Pulp removal is optional.

The information shown on the Exhibit A map(s) are approximate locations. Exact locations of features represented by map symbols shall be determined on site and shall depend upon the conditions that exist on site. Activities shall be conducted based upon features determined on site rather than features shown on maps.

See inside front cover of Timber Sale Schedule handbook for disclaimer regarding all government regulatory actions.

Habitat Suitability

This sale is located in the Sun Pass State Forest near the extreme eastern edge of the range of the northern spotted owl. This sale contains habitat suitable for northern spotted owls (NSO).

Survey Results

Protocol timber sale surveys for NSO are not required in the Klamath Lake District. In lieu of timber sale surveys, monitoring surveys are conducted every 5 years as per the Eastern Oregon Long Range Forest Management Plan. Surveys on Sun Pass State Forest are being conducted in 2024 and 2025 using a protocol endorsed by the U.S. Fish and Wildlife Service^{1,2}. There have been no responses from northern spotted owls during any year of surveys.

Known T&E Resources

This sale is not affected by any known T&E or FPA wildlife resource sites.

Operational Considerations

There are no operational restrictions for T&E species at this time.

Future Survey Plans

Northern goshawk and northern spotted owl surveys may be conducted during the life of the contract.
